

KONSTANT DE VOS

Financial Advisor

Konstant has been in the financial industry for the best part of the last 14 years in the position of reviewing individual's financial situations and restructuring their future commitments and responsibilities.

He has first handedly experienced the need to empower people to plan their future and be financially independent. Konstant is proud to be a graduate of the University of Pretoria and have fond memories of serving on several committees of editorial publications.

He believes that the saying: "I'd rather see a sermon than hear one any day; I'd rather one would walk with me than merely tell the way." ... is one of the most valuable and practical tools to use when dealing with people and their financial needs.

It is important to walk in the other person shoes and assist them to make the right tailor-made decisions for their financial future.

All work and no play...Konstant enjoys hiking with his lovely wife and friends and some of SA's most scenic routes like the Whale Trail and Wild Coast of Transkei rings enjoyably bells.

When the time comes for re-evaluating your financial position, it will be a pleasure to sit down with you and, in tandem, pave the way to your financial freedom.
