

SHARLOTTE NAIDOO

Financial Advisor

Sharlotte Naidoo is a Discovery Financial advisor and proud member of the attooh! Group of Companies, an award winning, Financial Advisor Group with a national footprint. At attooh! we specialise in a full spectrum of corporate and individual financial services. We are passionate about providing clients with tailor-made financial plans as well as forming lifelong bonds. You need a financial advisor on your team, one that is truly concerned about your personal and family financial success.

When you get to know our brand - you will most probably notice our butterfly icon. This butterfly represents metamorphosis / CHANGE. We all know that change is inevitable and we should learn to embrace it. I relate to this icon, as I believe in a metamorphosis of dynamic change and improvement in my life and yours. I believe in helping my clients to breed and accept a growth mindset and to transform their financial lives.

I believe that knowledge is an important part of my evolution and continue to expand it by attending regular training seminars, staying abreast of the changes in the industry and being inquisitive of what is going on around me. I obtained my National Diploma in Financial Accounting in 2017. It is important to me that I add constant value to my clients and their businesses, so I stay up-to-date on legislation, taxation, products, practices and industry news.

My association with the Discovery Group means I am able to offer my clients the best financial solutions from a dynamic product range, as well as the benefits of the innovative Discovery rewards programme.

My personalised service has allowed my clients to make their financial dreams a reality - whilst having a professional and trustworthy advisor along the way. I strive to add value to both their experience and their lives, as we move through the evolution of their financial status. In this uncertain economic climate, it is important for me to maintain a hands-on approach, to ensure that I protect my clients from expected and unexpected changes. It's important for us all to make use of the expertise out there and not to struggle alone. That is why we have invented this personal service - to guide and support you on your journey.

With attooh! by my side, I look forward to guiding my clients on their own financial metamorphosis to achieve their full potential and financial success.
