Financial Advisor

I am a Financial Advisor and proud member of the attooh! Group of Companies, an award winning, Financial Advisor Group with a national footprint. At attooh! we specialise in a full spectrum of corporate and individual financial services. We are passionate about providing clients with tailor-made financial plans, personalised financial education packages, as well as forming lifelong bonds.

I have a wealth of experience in the Financial Advisory field and have been in the industry since 2013. I believe that knowledge is an important part of my evolution and continue to expand it by attending regular training seminars, staying abreast of the changes in the industry and being inquisitive of what is going on around me. It is important to me that I add constant value to my clients, so I stay up-to-date on legislation, taxation, products, practices and industry news. I have a passion for people and my personal aim is to make a significant difference in my clients lives.

My association with the Discovery Group means I am able to offer my clients the best financial solutions from a dynamic product range, as well as the benefits of the innovative Discovery rewards programme.

These tailor-made packages, as well as my personalised service, help my clients to make their financial dreams a reality. I strive to add value to both their experience and their lives, as we move through the evolution of their financial status. In this uncertain economic climate, it is important for me to maintain a hands-on approach, to ensure that I protect my clients and their businesses from expected and unexpected changes.

I look forward to guiding my clients on their own financial metamorphosis to achieve their full potential and financial success."

Without a plan, even the most brilliant business can get lost. You need to have goals, create milestones and have a strategy in place to set yourself up for success."
