*Financial Advisor &
Co-author of The Ordinary Millionaire*

"Dietlof Mare, a financial expert with a conscience, ensures his financial analysis not only covers one's life, but also any disabilities or severe illnesses that might arise throughout that lifetime. In essence, Mare bases his survival as a financial advisor on his ability to ensure each client receives the best service possible, wherein honesty brings a client back time and again, with a show of unwavering loyalty".

Between the medical industry, business owners and individuals in need of his services, I currently cater to clients in need of life & disability assurance, risk planning, investment planning & savings, healthcare planning, pre and post retirement planning, short-term insurance, Discovery Insure, wellness (Vitality), and wills. Furthermore, I also provide services in investment management, Income Tax advice, trading in listed & unlisted shares, debt consolidation, financial accounting, trading in foreign exchange, trusts, and corporate benefits.

I have a track record of 21 years in the industry with Q-Data, Toyota SA and Apron services at OR Tambo airport, in terms of brokering their employee benefits such as pension and provident funds, as well as Discovery Health. When in business consulting with Momentum, I was part of the top 10 consultants in this field in the country and was known as no. 1 in Mpumalanga for nearly two years. I believe in three very important guidelines in life: honesty, loyalty and dignity. I pride myself as a honest individual and believes in excellence and promptness in service. In other words, I walk the talk as I stand by a client through tough times as well as the good. Furthermore, I represent a company that offers the best comprehensive cover and products that a client can ask for, including Discovery's severe-illness cover, as well as its Vitality that no other company can match. I am adamant about the provision of quality through honesty, loyalty and compromised excellence. After all, with greatest value placed on dignity, my business tagline reads: "I may 'talk the talk' but I will always also 'walk the walk'".

If someone asks you, “Are you a millionaire?” your immediate response would probably be NO if you don’t have millions in the bank, right?

We always think that there should be “more to life” and that MONEY would buy us happiness. But, what if someone asks you whether you would trade your family, friends, partner, or your skillset for a million Rand in cash, hmmm then your answer would probably be NO too, right?

The Ordinary Millionaire is attooh! ’s financial educational drive. It is based on the fact that YOU ARE indeed a millionaire already. The people you love and the moments of deep, authentic wellness - goes way beyond a life of worldly riches. Your MOMENTS, your happiness, that makes you a millionaire.

The ordinary millionaire is you. It’s me. It’s when we realise that the millionaire-moments and magic of life is in everything that surrounds us...

Once you have bred your internal millionaire mindset, when you start working with what you have rather than resenting what you don’t, you pave a way of true purpose. And then... it’s just a simple formula, a proven recipe, strategy, and commitment that will set you on a journey to complement your millionaire mindset with an external, monetary one.

Every single person has the opportunity to become a millionaire. We feel everyone should have the know-how and the knowledge to do so. The Ordinary Millionaire is an initiative inspired and developed by financial experts that want to equip you.

DOES YOUR MONEY NEED A “PROFESSIONAL TRAINER”?

Imagine a world where finance is associated with **LIFE, TIME** and **GROWTH** rather than **ANXIETY** and **STRESS**? At attooh! We believe that your financial journey should and could be a journey of enjoyment, fulfilment and escalating success.
